

SAY HELLO TO THE NEW FLEET MANAGEMENT OFFICE TEAM

There have been several recent changes without our office staff so we thought we would introduce everyone.

KENNY YOAKUM, Executive Director – Kenny took over the reins of this department in October 2012 and has been going full force ever since. Kenny strongly believes in customer service and that each Agency is our customer. His goal is to correctly account for each state vehicle, as mandated, and correctly bill and get billed for services used. His strong background in private sector fleet makes him an ideal candidate for the Director position and his newly appointed position on the Governor’s Natural Gas Vehicle Transition Taskforce. Kenny’s main office duties include new vehicle purchasing and approvals. He can be reached at 304-558-2106 (office) or by email at Kenny.H.Yoakum@wv.gov

JANICE HARTMAN, Fleet Manager – Janice’s 30+ years of state fleet knowledge is a tremendous asset to the Fleet Team. Among her many duties, monthly Fleet Billing to Agencies is her area of expertise and all questions concerning your Fleet Bill can be directed to her. She is currently working part-time in the afternoons and can be reached at 304-558-0086 (office) or email at Janice.L.Harman@wv.gov.

STEVE BRIGHTWELL, Fleet Assistant – Steve has been in FMO for 2 years and has excellent knowledge of the entire fleet process. Steve is currently on special assignment with the ERP project Monday – Wednesdays and returns to FMO on Thursdays and Fridays. Steve is a back-up contact to Janice in Fleet Billing but is the lead contact for your ARI Maintenance account. You can reach Steve at 304-558-2614 or he is best reached each day via email at Steve.M.Brightwell@wv.gov.

BECKY FARMER, Fleet Assistant – We are very excited that Becky joined our Team in December 2012. She is a wonderful addition to our team and works hard to take care of all the Agencies fleet needs. Becky has many duties but her main focus is new vehicle implementation and vehicle retirement. Becky coordinates the Lease Vehicle Driver Orientation classes that she holds at Surplus Properties. She provides the training and knowledge of the vehicle process

and vehicle retirement process. She handles our Fleet Rental Car program and is also our DMV liaison. Call Becky at 304-957-8207 or email her at Becky.C.Farmer@wv.gov.

MANDY PARSONS, Fleet Assistant – Mandy is our newest addition to the Fleet Team. She also has a strong background in fleet from the private sector and is a great addition to our team. Mandy has been tasked with record verifications to ensure that we are meeting our mandated record requirements. She is also the main contact for all your WEX questions. Mandy can be reached at 304-957-8208 or via email at Mandy.F.Parsons@wv.gov.

It is our goal to make your job as Fleet Coordinator go as smoothly as possible. With your continued help, we can achieve our goals and make a great department even better.
